

# RAINBOW BINGO

Color each box a different color of the rainbow when you complete the task!

Go on a nature walk	Be a meteorologist	Keep a daily weather log	Make slime
Build structures with toothpicks and playdough	Observe something outside and draw a picture	Read a non-fiction book. Draw what you learned	Plant a seed and watch it grow
Use a mirror, water and light to make a rainbow	Pick a topic you are interested in and research as a family	Test different items to see if they sink or float	Sort magnetic and non-magnetic items
Try to build a rollercoaster with blocks	Build a tinfoil boat and see if it floats	Try to build a bridge with blocks	Watch a show on Animal Planet
